

Q. No 26. Oral Communication Test: Instructions for Invigilator

Marks (10)

- i. The invigilator will make the students sit comfortably and ensure all the students can listen him/her clearly.
- ii. The invigilator will ask the students to open the relevant page which has **Dictation space on Paper-B** at Q. No 26.
- iii. The invigilator will make sure that students understand where the dictation words are to be written on Paper-B.
- iv. The invigilator will tell the students that he/she is going to read out words aloud for dictation. Students will write all five dictation words in Dictation space.
- v. The invigilator will read out first word and then make sure all the students have written response in its place.
- vi. Do not continue without ensuring that all students have written the first word in Dictation space.
- vii. Each word will be read twice. The invigilator will read out words aloud and clearly. Take a gap of 5 seconds and repeat the word.
- viii. After finishing the practice, the invigilator will tell the students to start attempting Paper B remaining questions.
