He caught the mouse in his huge paw. When he was about to kill the mouse, it said, "O King!" Forgive me this time. I shall never forget your kindness. One day I shall help you." The lion was so tickled by the idea of the mouse being able to help him. He laughed and let the mouse go. A few days later, the lion was caught in a net. He tried hard to free himself but in vain. By chance, the same mouse saw the lion in trouble. It began to gnaw the rope of the net. In a short time, the lion was free. He thanked the mouse and ran away into the forest.
