

Q. NO. 26. Oral Communication Test: Instructions for Invigilator

Marks (10)

- i. The invigilator will make the students sit comfortably and ensure all the students can listen him/her clearly.
- ii. The invigilator will ask the students to open the relevant page which has **Answer space on Paper-B at Q. No 26.**
- iii. The invigilator will make sure that students understand where the answer is to be written on Paper-B.
- iv. The invigilator will tell the students that he/she will read out the questions twice. All 4 questions are mandatory. For the first time, the students should only listen to those questions carefully.
- v. Now tell the students to get ready to write answers after you read questions second time. Repeat Question No 1 and wait for 3 minutes to let the students write the response in **Paper-B at Q. No 26 - Answer space.** Do not continue without ensuring that all students have written the first ANSWER in Dictation space.
- vi. Repeat the same process for all the remaining questions.
- vii. Ask all 4 questions with an interval of 3 minutes.
- viii. After finishing the practice, the teacher/invigilator will tell the students to start attempting Paper B remaining questions.
